School on Wheels, Help Build a Bridge

On October 10, we are hosting a hands-on Life Skills Workshop for students in the Bridge Program through School on Wheels of MA. Homelessness and unstable housing and families, makes learning basic life skills almost impossible. Please help us in gathering some supplies to make this interactive workshop possible. A list of items needed is available in the narthex. We are also looking for volunteers to help setup tables and chairs on October 10. For questions or to volunteer, please contact Ruth Porter or the church office. Thank you for helping us build a bridge!

New Stephen Ministry Training Starts on 10/7

Join Cheryl Oppen and Ernie Ortega on Wednesday nights starting 10/7, from 7-9pm as we kick off a new training class for Stephen Ministers. It's a 20 week course that will equip lay people to provide confidential one-on-one Christian care to individuals in our congregation who are experiencing difficulties. A Stephen Minister is a trained Christian friend who listens, cares, prays, supports, and encourages someone in need. This training will help improve your personal listening skills, your empathy for others, and equip you to care for your own family and friends better. For more information contact Cheryl Oppen at 781-254-2490.

Children & Youth Clothing Drive Fundraiser

We are collecting donations of clothing, textiles, and accessories. Items must be clean, in sellable condition, and bagged in plastic bags. Bagged items can be dropped off in the bin by the front door through October 12. Your donated items will be turned into dollars to support Covenant Congregational Church's Children & Youth Ministry programs, youth retreats, and summer camps. Thank you for your support!
